

REPUBLICANS OPEN WEST SIDE CAMPAIGN.

Give a Dinner To-Night to Boom Candidates for Congress and State Senate.

Animated by hopes of regaining their lost offices and prestige, upper West Side Republicans start to-night their summer political campaign with a dinner at Troger's Hotel, in West One Hundred and Fifty-fifth street. The principal purpose is to launch the candidacy of Fred W. Higgins for Congress in the Twenty-second Congressional District, and that of Assemblyman Dean Nelson for the State Senate in the Nineteenth Senatorial District.

Both of these places were lost to the Democrats two years ago by reason of the Progressive split, but now the Republicans are proclaiming reunion of factions and prospects of success.

Mr. Higgins is Deputy United States Attorney and holds a Federal office for which many Democrats are appealing to Washington. He will have an opponent at the primaries in Dr. Rufus P. Johnson, called the political paragon, who was an unsuccessful candidate two years ago.

Dean Nelson was elected to the Assembly last year in the Twenty-third Assembly District as a Progressive Republican. He was a strong supporter of reform measures for the benefit of New York City.

Killed by side of Beef.
Gustav Lloyd, a longshoreman, was crushed to death at 4:30 yesterday afternoon in the hold of the steamship Hamam, anchored at the Bush Terminal, Brooklyn. Lloyd was loading beef on the ship when a side slipped from a crane and fell on him.

Identify Lightning's Victim.
The body of the man killed by lightning yesterday in Prospect Park, Brooklyn, was identified to-day as that of Silvia Marciana, aged twenty-five, an

artist, of No. 46 Church avenue, Flatbush. The identification was made by his brother, Giovanni, who claimed the body and had it removed from the morgue to his home.

The DOCTOR'S ADVICE

By Dr. Lewis Baker

Elizabeth says: "I am troubled with a constant headache, which also affects my eyes. My breath is awful, as I have a severe case of catarrh in the head and throat."

Answer: I receive daily hundreds of letters from people who have suffered as you do and who have been relieved with the following preparation: Make a wash by mixing one-half teaspoonful of Vaseline ointment, which you can purchase from any druggist in 2oz. packages, and add to this one pint of warm water; use this in the nostrils daily to thoroughly cleanse them. A gargle should be used with this. This is made by mixing one teaspoonful of Vaseline ointment with one ounce of water, which you add to the nostrils twice a day. If this is used daily, your catarrh will be cured. It will, however, be used occasionally to prevent a return of the disease.

"Mr. G." writes: "If you know of anything that will cure hemorrhoids, please let me know what it is."

Answer: For several years I have prepared (plain yellow mass) as superior to anything known for the treatment of hemorrhoids. It is in four-ounce cans with full directions. It quickly overcomes all diseases of the hair and scalp and gives new vigor and lustre to natural color to the hair. It is sold fairly and you will appreciate its use for your friends.

"Miss D." writes: "I am constantly annoyed because of the fact of my extreme thinness. I have absolutely no color in my face and hair and I am dull and listless most of the time. Please advise me what to do."

Answer: If you are so thin and pale and your hair and skin are dull, it is because your blood is deficient in red corpuscles. This can be easily overcome by the use of three-grain cod-liver oil tablets, which can be had from any druggist in sealed cartons with full directions for taking. When the blood is enriched by the use of these tablets your weight will increase, the color will come back to your face and hair, and it will prove your general system so that you will become strong and healthy.

"John" writes: "I suffer with rheumatism all the time and I shall be very glad if you can tell me something to relieve me."

Answer: I can give you a prescription which will not only relieve but also cure your rheumatism. This is my favorite remedy, and the number of letters received from people who have been cured of rheumatism is phenomenal. The following is made by mixing well, taking a teaspoonful at meal times and twice before retiring. Cod-liver oil, 1 oz.; castor oil, 1 oz.; fluid extract of sassafras, 2 drams; wine of colchicum, one-half ounce; sodium salicylate, 4 drams.

The questions answered below are general in character; the symptoms or diseases are given and the remedies should apply to any case of similar nature.

Those wishing further advice free may address Dr. Lewis Baker, College Building, College-Hillwood street, Dayton, O., enclosing self-addressed envelope for reply. Full name and address must be given, but only initials or fictitious name will be used in my answers. The prescriptions can be filled at any well-stocked drug store. Any druggist can order of wholesale.

"Morris" asks: "I have suffered with a chronic cough for several years, and I catch a fresh cold every few weeks. Nothing the doctor gives me helps, so I write to you."

Answer: You need a thorough laxative cough syrup, one that not only relieves but also drives it from the system. The following remedy will cure any cough, whether it be a cold, whooping cough, or any other cough, and it is sold in sealed cartons with full directions for taking. It is a valuable remedy for all coughs and is sold in sealed cartons with full directions for taking.

"Mrs. G." writes: "I have many of the symptoms upon which you prescribe 'three-grain cod-liver oil tablets.' May I, a woman, expect to find relief by taking these tablets?"

Answer: Yes, three-grain cod-liver oil tablets are suited to any case of extreme emaciation where the vital force seems to be ebbing away. They are tonic in action to a high degree and no ill person can take them without the greatest benefit following.

"Farmer's Wife" asks: "Will you please tell me how to overcome obesity?"

Answer: Obesity is a troublesome disease, and it is in four-ounce cans with full directions. It is a valuable remedy for all obesity and is sold in sealed cartons with full directions for taking. It is a valuable remedy for all obesity and is sold in sealed cartons with full directions for taking.

"Alice M." writes: "Something seems to be wrong with my system. I have a heavy feeling over my eyes and I am tired and listless most of the time. Please advise me what to do."

Answer: Your eliminating organs such as liver and kidneys are in need of treatment. Begin taking salmurel tablets at once. It is a valuable remedy for all obesity and is sold in sealed cartons with full directions for taking. It is a valuable remedy for all obesity and is sold in sealed cartons with full directions for taking.
